ARTICLE II - Union Security

Section 1.

At the time of interview, prospective employees will be informed that the Union is the collective bargaining representative for all employees in the above-described unit.

Section 2.

Each employee who is a member of the Union on the date of this Agreement, and each employee who thereafter becomes a member of the Union shall, as a condition of employment, continue her/his membership in such Union.

Section 3.

Any regular employee hired on or after the execution of this Agreement who is not a member of the Union on the 30th day following the beginning of his/her employment or the execution of this Agreement, whichever is later, shall be required as a condition of

employment to pay a service fee to the Union, such fee to be deducted from the salary of each employee in the bargaining unit if such employee signs an authorization form for such deduction. The Union has represented to the Agency that the amount of agency fee is commensurate with the cost of collective bargaining and the administration of this Agreement.

Section 4.

Upon receipt of a written authorization form from an employee, the Agency shall, pursuant to such authorization form, deduct dues in equal amounts from each paycheck, starting not earlier than the first pay period following the completion of the employee's first thirty (30) days of employment, and remit to the Union regularly monthly dues as fixed by the Union. With each remittance, the Agency will provide the Union with a list showing the names of the employees and dates and amounts of the deductions made.

Section 5. - Notification

On a bi-monthly basis, the Agency will provide the Union with the following information: the name, classification, department, salary rate and date of hire of any new employee; the name, classification, department, salary rate, and date of change of any transferred or promoted employee; and the name and date of termination of any employee who has been terminated. Upon the signing of this Agreement, the Agency will furnish the Union with a current list of employees in the unit and their classifications, departments, salary rates and dates of hire.

Section 6. - Indemnification

The Union shall indemnify, defend, and save the Agency harmless against any and all claims, demands, suits, or other forms of liability that may arise out of, or by reason of, any action taken or not taken by the Agency for the purpose of complying with either Section 2 or 3 of this Article.

Section 7. - Union Meetings

Union meetings shall be allowed on the Agency premises on Monday through Friday after 5:45 p.m. and with two (2) days advance notice.

Section 8. - Steward

The Agency agrees to recognize two stewards and one alternate steward who will be entitled to use work time to investigate and process grievances, provided prior notice has been given to their respective supervisor or supervisors, and provided further that such investigation or processing of grievances does not interfere with work related activity. Only one steward shall be involved in the processing of a given grievance.

Section 9. - Union Leaves of Absence

Leaves of absence without pay to attend Union meetings, conventions and Executive Board meetings of local, regional or parent organizations will be granted to Union officers, stewards, and/or elected delegates. Such leaves shall be granted by the Executive Director or his/her designee unless the effect of such leave will result in an undue workload burden on other employees.

Section 10. - Access

A Union representative shall have reasonable access to the Agency's premises for the purposes of handling grievances or administering this Agreement. Nothing in this provision shall be interpreted to allow a Union representative to interfere with any work related activity of any employee.

Section 11. - Right to Information

The Agency will provide the Union with copies of all information regarding wages, hours or working conditions from all funding sources, and with copies of all relevant regulations and changes in regulations of funding sources that affect bargaining unit employees.

Section 12. - Bulletin Board

The Agency shall provide the Union with a bulletin board located in a conspicuous place on each floor of the Agency's premises, for the purpose of posting Union notices. Union postings shall be restricted solely to these Union bulletin boards.

The Agency agrees to honor the voluntary contribution deduction authorizations from its employees who are Union members to the Union's Committee on Political Education ("COPE") in the form provided for by the Union.

The Agency will allow employees to consent in writing to the authorization of the deduction of voluntary political education fund fee from his/her wages and to the designation of the Union as the recipient thereof. Such consent shall bear the signature of the employee. An employee may withdraw his/her political education fund fee authorization by giving at least thirty (30) days notice in writing. An employee may make changes in her/her deduction no more than twice in any calendar year.

ARTICLE III - Affirmative Action and Non-Discrimination Policies

Section 1.

Neither the Agency nor the Union shall discriminate against any employee or applicant for employment because of age, race, color, creed, national origin, religion, marital status, sex, physical or mental disability, sexual orientation, union activity or military and/or veteran service.

Section 2.

Both parties subscribe to the principles of Affirmative Action and Equal Employment Opportunity and agree that they will individually and collectively take the steps necessary to ensure that qualified older people, minority group members, women, and community residents are given equal opportunity for employment, advancement, and promotion.

Section 3.

The Union and the employees will receive copies of any Affirmative Action Plan maintained by the Agency. The Agency shall notify the Union in advance of any Affirmative Action reviews by government agencies concerning bargaining unit employees. In addition, if the Agency decides to revise such Plan, it will provide notice of the same to the Union and then convene a meeting of all persons employed by the Agency for the purpose of discussing such revision.

Section 4.

No employee shall be subjected to sexual harassment. In Massachusetts, sexual harassment is defined as sexual advances, requests for sexual favors, and verbal or physical conduct of a sexual nature where: (a) submission to or rejection of such advances, requests or conduct is made either explicitly or implicitly a term or condition of employment or as a basis for employment decisions; or (b) such advances, requests or conduct have the purpose or effect of unreasonably interfering with an individual's work performance by creating an intimidating, hostile, humiliating or sexually offensive work environment.

These definitions include any direct or implied requests by a supervisor for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits or continued employment, as well as any sexually oriented conduct that is unwelcome and has the effect of creating a workplace environment that is hostile, offensive, intimidating, or humiliating to male or female workers.

A statement to such effect shall be posted throughout the Agency.

Section 5.

An employee who believes that he or she has been the subject of sexual harassment may utilize the grievance procedure of Article XXV of this Agreement to raise such claim. A sexual harassment grievance may be initiated at Step 2 of such procedure and treated in an expedited manner. The employee shall have the right to file a "class action" grievance against one person or a group of persons if the employee(s) can support substantively that the sex harassment he or she allegedly has been subjected to is common to at least one other person, again with initiation at Step 2 of the grievance procedure.

Section 6.

All employees have the right to be free of harassment due to age, race, color, creed, national origin, religion, marital status, sex, physical or mental disability, sexual orientation, union activity or military and/or veteran service. An employee who has been subjected to such harassment may file a grievance under Article XXV of this Agreement and such grievance shall be processed in an expedited fashion. If the grievance is directed at the employee's immediate supervisor, the grievance shall be initiated at Step 2. The employee shall have a right to file a "class action" grievance against one person or a group of persons if the employee(s) can support substantively that the harassment he or she has been allegedly subject to is common to at least one other person.

Section 7.

Any violation of this Article or of the Affirmative Action Plan will be subject to the provisions of Article XXIII of this Agreement.

ARTICLE IV - Hours of Work and Overtime

Section 1 - Hours

The normal work week for full time employees shall consist of thirty-five (35) hours exclusive of a one hour of unpaid break time per day. Such hours may be worked from Monday to Friday or in any four (4) days, other than Saturday or Sunday, except as provided elsewhere in this Agreement. Work hours shall be arranged by mutual agreement between the employee and the immediate supervisor. Flexible hours shall be equally available to all employees provided that such flexible hours do not interfere with the proper functioning of said employees' office or department. Flextime shall not be arbitrarily denied.

Section 2 - Overtime

All time worked between thirty five (35) and forty (40) hours will be paid at regular rate. All time worked in excess of forty (40) hours in a week at the Agency's request shall be paid at the rate of time and one-half the employee's hourly wage rate. All time worked on Sundays or Holidays at the Agency's request shall be paid at the rate of double time the employee's hourly rate. An employee shall have the right to refuse to work overtime for reasonable cause.

Section 3 - Beeper Duty

Beeper Duty may be offered to bargaining unit employees on a voluntary basis, at the discretion of management, and pursuant to the terms, conditions, and procedures as may be prescribed by management from time to time.

Section 4. - Accountability of Time

All case managers shall be required to be in the office for the first morning and the last afternoon of their workweek. If voluntary scheduling does not accomplish this goal, management will assign caseworkers to fixed reporting hours. In addition to these scheduled reporting times, case workers must check in physically at the office at either the beginning or end of each workday provided, however, that no more than twenty-four (24) hours elapse between such check-ins. Exceptions to this scheduling requirement may be made by the mutual agreement of the case manager and his/her supervisor.

ARTICLE V - Job Descriptions

Section 1.

All employees shall have accurate job descriptions.

Section 2.

An employee's job description shall not change without three (3) week's prior written notice to said employee. During such notice period, the employee shall have an opportunity to discuss such changed with the Agency.

Section 3.

A change in job description shall neither result in arbitrary cuts in salary nor shall salary be reduced without prior notification to the employee and to the Union.

Section 4.

An employee may occasionally be assigned to perform reasonable duties outside her/his job description in the case of temporary vacancies, vacations or leaves of absence.

ARTICLE VI - Evaluations

Section 1.

The Agency shall develop evaluation forms, with appropriate input from employees of the respective departments.

Section 2.

Any evaluation will begin with the supervisor filling out the evaluation form, which shall be submitted to and discussed with the employee. The employee shall be entitled to attach comments provided, however, that an employee's response to her/his evaluation shall be submitted within two weeks of her/his final evaluation. An employee shall sign her/his evaluation form only to signify that s/he has read the evaluation. The employee will receive a copy of all completed evaluation forms.

Section 3.

An evaluation may be appealed through Step Two of Article XXV of this Agreement (evaluations may be grieved but not arbitrated). If an employee's case is upheld on Step 2, the disputed portion of the evaluation shall be removed from the personnel file. If an employee's poor performance evaluation is used as the basis for an adverse employment action, then the employee may challenge the contents of the evaluation in an adverse employment action arbitration.

Section 4.

Employees shall have the opportunity on a yearly basis to provide supervisors with formal, written feedback on supervision using the established "Feedback to Supervisor" form.

ARTICLE VII - Workload

Section 1.

The Agency shall be responsible for maintaining reasonable workloads for all employees. This may include reasonable efforts to train employees to perform basic duties of other employees in their respective department to assure equitable distribution of extra work due to vacations, vacancies, and/or other paid or unpaid leaves of absence.

Section 2.

Casemanagers' caseloads shall be assigned in a fair and equitable manner by the Agency.

(a) The cap for a Casemanager, other than a Senior Casemanager, is a caseload of one hundred (100) mixed (three month and six month clients) cases.

(b) Should the average caseload for all caseworkers as defined in (a) above equal one hundred (100) over a three (3) calendar month period, the Agency shall add a new case manager to its staff.

(c) If the Agency creates a new position, which includes case management, after the effective date of this Agreement, the Agency shall initially set a cap, and such cap shall be subject to negotiation with the Union, if requested, at three months after filling of the new position.

(d) A Casemanager with a caseload of one hundred (100) or more clients shall not receive any new assignments until all case managers in this category have caseloads of one hundred (100). Additionally, Casemanagers shall not receive more than eight (8) new case initial assessment assignments in any calendar month. A new case initial assessment shall be defined as a case which is new to the Agency.

Section 3.

On a monthly basis, a list of the number of cases in each case manager's caseload will be posted on the bulletin board.

Section 4.

If illness/personal issues have contributed to a case manager getting temporarily behind in his/her work, due consideration shall be given for these circumstances in assignment of work.

ARTICLE VIII - Filling of Vacancies

Section 1. - Posting Requirements

Notices of vacancies, including new positions in the unit, shall be posted at the Agency's Main facility. Such notices will detail all pertinent information including date of posting, department, complete job description, salary range, qualifications, and internal deadline for applying. The Agency shall distribute all notices of vacancies as soon as practicable. The Agency agrees to replace the departing employee as quickly as reasonably possible. In the event a vacancy is not filled within one month, the Agency agrees to notify affected employees of the reason for the delay.

Section 2. - Internal Filling of Vacancies

The Agency is committed to the policy of promoting the upward mobility of its staff members. Employees shall be supported and encouraged to avail themselves of opportunities to receive the education and training that will enhance their job skills and qualify them for advancement within the Agency. Vacant positions, including new positions, shall be posted for five (5) days as provided in Section 1 above and advertised

publicly simultaneously. Outside resumes shall not be reviewed until a decision is made on internal applicants. If the hiring committee is undecided on the qualifications of an internal applicant(s) to fill the position, it can defer a final determination on that person until after interviewing outside applicants. However, if the application of an internal candidate is held over, s/he will be notified of that decision and of the reasons therefore in writing. If the internal applicant is not to be further considered, s/he is to be informed of same. All unsuccessful internal applicants shall be notified in writing as well as in person. Given equal qualifications and Affirmative Action considerations, preference will be given to the present staff member for the vacancy.

Section 3. - External Filling of Vacancies

All hiring and advertising procedures shall be in compliance with the Affirmative Action Article of this Agreement.

Section 4. - Promotions

A promotion shall mean an advancement to a higher salary grade, and shall at all times remain the decision of the employee. The Agency shall make every reasonable effort to protect the confidentiality of an internal applicant until the decision on the vacancy has been reached. A promoted employee shall have a probationary period of up to three (3) months. While on such probationary status, the employee shall continue to have the same rights of appeal on grievance matters as other regular employees, provided, however, that if during such probationary period the Agency decides that the employee is not qualified for the new position, s/he shall be restored to her/his former position, and such restoration shall not be subject to the grievance and arbitration provision of this Agreement.

Section 5. - Transfers

A transfer, other than a temporary assignment, as defined in Section 6, shall mean a change in position within the same salary grade, and shall at all times remain the decision of the employee. Except in the case of unusual, unforeseeable or extenuating circumstances, there can be no loss of pay in the event of a transfer.

Section 6. - Temporary Assignments

As the need arises, employees may be asked to perform duties or to work in areas other than those to which they are currently assigned.

Section 7.

An employee shall not be eligible to exercise any rights under this Article during her/his first-three (3) months of employment, or within three (3) months after a successful bid under this Article.

Section 8. - Temporary Positions

When a position is temporary for six months, other than when a temporary employee is filling in for an individual on a medical leave of absence, the Agency will notify the Union of both the reason why the position has not been made permanent and the duration of temporary status. If the Union deems the Agency's position to be unreasonable, a grievance may be filed.

ARTICLE IX - Probationary Period

Section 1.

All newly hired clerical employees shall be subject to a four (4) month probationary period. All other newly hired employees shall be subject to a six (6) month probationary period. During this time, the employee's performance shall be observed by her/his supervisor. After one half of the probationary period has passed, the supervisor shall meet with the employee and share with her/him how her/his performance is evaluated to date. Upon written notice to the Union and the employee, the probationary period may be extended by the Agency for up to an additional 90 days.

Section 2.

If the employee's performance is evaluated by her/his supervisor as unsatisfactory at any time during the probationary period, the employee may be dismissed. At the conclusion of the probationary period, a written job performance evaluation shall be prepared by the supervisor. The evaluation shall include an assessment of the employee's performance and recommendations regarding continuation of employment. The evaluation shall be discussed with the employee and s/he shall have an opportunity to add any comments or rebut the evaluation. The employee shall sign the evaluation indicating only that s/he read it. The written evaluation by the supervisor along with any employee comments or rebuttal shall be reviewed by the Executive Director or his/her designee and forwarded to the employee's personnel file. It is recognized by the parties that the immediate supervisor is directly responsible for providing training, clear direction and feedback to any employee on probation.

Section 3.

While on probationary status, the employee shall have the same rights of appeal on grievance matters as a regular employee, provided, however, that the discharge of a probationary employee shall not be subject to said grievance and arbitration provisions.

ARTICLE X - Salaries

Section 1.

The parties recognize the control of the Executive Office of Elder Affairs of the Commonwealth of Massachusetts (EOEA) over salary ranges for all bargaining unit positions.

Section 2.

Salaries for all positions are incorporated into this Agreement and will not be downgraded during the life of the Agreement assuming availability of funds from the EOEA.

Section 3.

The Agency shall forward to the Union copies of all memos from EOEA regarding bargaining unit salaries and other economic benefits controlled by EOEA.

Section 4.

(a) Clerical (no college degree required)

As of the date this Agreement is executed by both parties, members of the bargaining unit who are employed in the job classifications set forth in Schedule A (attached hereto) shall earn compensation at their then current rate of pay unless the employee's rate of pay is below the minimum rate of pay set forth in Schedule A. For those employees whose salary falls below the minimum rate set forth in Schedule A, their rate of pay will be adjusted to the higher of the minimum rate set forth in Schedule A or the rate established by the percentage increase of Section 6. Thereafter, for the duration of the Agreement, any increase to an employee's rate of pay will be determined by Section 6. If an increase in an individual's expected rate of pay would result in a rate that would exceed the maximum rate of pay for that job classification during the term of this Agreement, then that employee's rate of pay shall be capped at the maximum rate of pay set forth in Schedule A.

(b) Clinical

As of the date this Agreement is executed by both parties, members of the bargaining unit who are employed in the job classifications set forth in Schedule B (attached hereto) shall earn compensation at their then current rate of pay unless the employee's rate of pay is below the minimum rate of pay set forth in Schedule B. For those employees whose salary falls below the minimum rate set forth in Schedule B, their rate of pay will be adjusted to the higher of the minimum rate set forth in Schedule B or the rate established by the percentage increase of Section 5 and/or 6, as applicable. Thereafter, for the duration of the Agreement, any increase to an employee's rate of pay will be determined by Section 5 and/or 6. If an increase in an individual's expected rate of pay would result in a rate that would exceed the maximum rate of pay for that job classification during the term of this Agreement, then that employee's rate of pay shall be capped at the maximum rate of pay set forth in Schedule B.

Section 5.

All salary figures stated in this Section 6 apply to full-time employees and will be prorated for part-time staff.

January 1, 2008 through September 30, 2008 (Year One)

All Union employees on the payroll as of January 1, 2008, shall receive a two and one half percent (2.5%) increase to their annual salary rate. The increase shall be effective retroactively to January 1, 2008, provided that the individual employee is employed with the Agency when this Agreement is signed by all parties. The increase is exclusive of any salary reserve money provided to the Agency by the Commonwealth of Massachusetts.

October 1, 2008 through September 30, 2009 (Year Two) and October 1, 2009 through September 30, 2010 (Year Three)

All Union employees shall receive a two and one half percent (2.5%) increase to their annual salary rate effective October 1, 2008, and another 2.5% October 1, 2009. The increases exclude any salary reserve money that the Agency may receive from the Commonwealth of Massachusetts.

Section 6.

(a) In any case where the EOEA or Legislature provides funds for salary improvements, merit raises, incentive raises, Quality Care Fund, bonuses, or any other economic improvement for employees, the Union will be notified immediately and be afforded the opportunity to bargain over such improvements.

(b) Any salary reserve money that the Agency does receive from the Commonwealth of Massachusetts during Years Two and Three shall be distributed only to those eligible employees as determined under the mandates set forth by the Commonwealth. If the Union requests to negotiate over any such funds referenced in section (a), the Union agrees that it shall make no proposals as to any other topic nor shall it make any proposal for a payment greater than set forth in the Commonwealth's mandate or for payments to employees other than those specified in the Commonwealth's mandate.

Section 8. - Reopener

If during the term of this Agreement the funding from EOEA for the wage increases referenced above appears inadequate and layoffs may result, then this contract is subject to a reopener for salary negotiations only upon 30 days prior notice by the Agency.

ARTICLE XI - Longevity Bonus

An employee shall receive a one time bonus on his/her Anniversary as follows (prospective only):

5th anniversary	=	\$150
10th anniversary	=	\$200
15th anniversary	=	\$250
20th anniversary	=	\$300
25th anniversary	=	\$550

ARTICLE XII – 401(k) Plan

Section 1. - Formula and Contribution Level

All permanent employees, except those scheduled to work less than twenty (20) hours per week, shall be eligible to participate in the Agency's 401(k) Plan. Upon completion of one year of continuous service, the Agency shall contribute the equivalent of three percent (3%) of an employee's annual gross salary. This shall be in effect for the life of this agreement. Contributions are released into an employee's 401(k) account at the end

of each plan year, June 30th, provided that the employee is an active employee as of June 30th. Exceptions to this rule shall be made for employees who retire or terminate employment due to disability prior to the end of the plan year. In the event of any conflict between this Article XII and the applicable 401(k) Plan, the terms of the 401(k) Plan shall govern and control.

Section 2.

The Agency shall continue to make available to eligible employees any 401(k) program available to other individuals employed by the Agency, subject to the same terms and conditions applicable to such individuals.

Section 3. - Effect of Termination of Employment

Upon termination of employment, an employee may draw all the money, plus any accrued interest, from her/his 401(k) account. An employee who does not so withdraw her/his money, shall be assessed the prevailing asset fee for the maintenance of her/his private 401(k) account, plus the prevailing asset fee for the amount of money remaining in such account.

Section 4. - Borrowing from 401(k) Plan Accounts

Employees of the Agency may borrow up to 50% of their 401(k) account balances subject to the following limitations: (a) only one loan may be approved within a twenty four (24) month period; (b) a minimum of one thousand Dollars (\$1,000) may be borrowed; (c) a one hundred dollar (\$100) processing fee shall be charged for each loan; (d) a loan application must be made by the last week in the month in order to be considered in the following month; (e) the application for the loan must contain the signature of the employee's spouse if the employee is married. The trustees shall meet monthly to review all requests for that month, and shall consider in that review the reasons given for the requested loan and the financial reliability of the individual. The decision as to whether to grant the loan shall be the trustees' exclusively, and shall not be subject to the grievance and arbitration mechanism of this Agreement. The trustees shall have the right to charge interest for the loan, the specific amount of such interest to be determined on a loan-by-loan basis using current bank rates for similar loans as a guideline.

Section 5.

The Agency 401(k) Committee shall include at least one member of the bargaining unit, selected by the Union.

ARTICLE XIII - Insurance

Section 1. - Health Insurance

Regular full-time employees are eligible to enroll in the Agency's health insurance program pursuant to its applicable terms and conditions and may choose any Health Maintenance Organization (HMO) Plan offered by the Agency.

(I) For all eligible employees employed prior to December 10, 1990, the Agency will pay 90% of the cost for the lowest-priced HMO individual, individual plus one or family coverage offered by the Agency.

(II) All eligible employees hired on or after December 10, 1990 who choose individual health insurance coverage, the Agency will contribute 75% of the cost of the lowest priced HMO individual premium offered by the Agency.

For eligible employees hired on or after December 10, 1990 who choose individual plus one health insurance coverage, the Agency will contribute 50% of the cost of the lowest priced HMO individual plus one premium offered by the Agency.

For eligible employees hired on or after December 10, 1990 who choose family health insurance coverage, the Agency will contribute 50% of the cost of the lowest priced HMO family premium offered by the Agency.

Section 2. - Dental Insurance

All regular full-time employees are eligible for the dental plan offered by the Agency.

For all employees hired before December 31, 1985, the Agency pays the full premium for the individual or family plan.

For all employees hired on or after January 1, 1986, the Agency shall pay the full cost of individual coverage or no more than Fifty Dollars (\$50.00) a month for family dental coverage. Such employees shall not be eligible for any dental insurance coverage until they have been employed by the Agency for one (1) year.

Regular full-time employees who are reduced to part-time status and who work in excess of twenty (20) hours in a week shall be entitled to continue coverage under this dental plan. Details of the plan shall be furnished to all employees and to the Union.

Section 3. – Workers' Compensation

All employees are protected by workers' compensation insurance, which covers injuries incurred at work. If an employee is involved in an accident or sustains an injury while working, s/he should report such situation immediately to her/his supervisor and complete the required form. Earned leave time may be used to make up the difference between the amount such employee receives from workers' compensation and her/his straight time rate of pay. If a salary increase goes into effect while such employee is on workers' compensation leave, such increase will be effective for that employee upon her/his return to work. While on workers' compensation leave, the employee shall remain eligible to participate in the Agency's health and dental insurance program, provided, however, that the Agency shall continue its contribution for such program for only the first six (6) months of any one workers' compensation leave. No other benefits shall be accrued during this leave.

Section 4. - Life Insurance

The Agency shall provide life insurance to all regular employees working twenty (20) hours a week or more, the full premium being paid by the Agency. Details of coverage shall be furnished to all eligible employees and the Union.

Section 5. - Disability Insurance

The Agency shall provide disability coverage (starting the eleventh working day of accident or illness) to all regular employees working 20 hours or more, the full premium being paid by the Agency. Details of coverage shall be furnished to all eligible employees and to the Union.

Section 6 - Medical Information

An employee who is receiving benefits under workers' compensation or disability shall, upon request of the Agency, share with the Agency any medical information to which the employee has access which is related to the reason for such absence. Any other employee on leave for medical reasons shall, upon the request of the Agency, provide a letter from her/his physician stating when such employee will be able to return to work. Any and all medical information shall be kept strictly confidential by the Agency.

ARTICLE XIV - Earned Leave

Section 1. - Definitions

For the purposes of this Article, a year is defined as the one-year period between January 1 and December 31.

The parties acknowledge and agree that pursuant to prior agreement and past practice, earned leave ("Earned leave") is comprised of vacation and sick leave in equal amounts. Accordingly, under Massachusetts General Laws, Chapter 149, Section 148, only ½ (50%) of Earned Leave will be deemed "vacation pay."

Section-2. - Eligibility

All regular employees working twenty (20) or more hours per week shall be eligible for the earned leave time program.

Section 3. - Accrual

(a) An employee shall earn one hundred sixty-eight (168) hours [24 days] of earned leave each year in the first three (3) years of employment; one hundred ninety-six (196) hours [28 days] of earned leave in years four, five and six; two hundred thirty-eight (238) hours [34 days] of earned leave in years seven, eight, nine and ten; and two hundred sixty six (266) hours [38 days] of earned leave each year after ten years of employment. However, all employees hired prior to September 1, 1992 will earn two hundred sixty-six (266) hours [38 days] of earned leave time per year.

(b) For full-time employees, a day shall be equal to seven (7) hours and for part-time employees, a day shall be prorated accordingly. An employee shall begin to accrue earned leave time on her/his first day of employment, and shall continue to accrue such

time during periods of actual work and paid earned leave time. Earned leave time shall not be accrued during unpaid leaves of absence.

Section 4. - Accumulation

An employee may carry over from one year to the next thirty five (35) hours (one week) of earned leave per year of employment with the Agency, up to a maximum of two hundred eighty (280) hours (eight weeks). However, employees hired prior to September 1, 1992 may carry over a maximum of two hundred eighty (280) hours from one year to the next. Any earned leave that is not used in a particular year and that is above and beyond the carry over limit will be forfeited. The maximum accrual shall always be two hundred eighty (280) hours.

On an annual basis as of December 31 each year, an employee who has reached the maximum accrual level may cash-in up to two weeks of earned leave. Any additional earned leave not used in a year shall be forfeited.

An employee who takes five (5) or fewer days of earned leave in a one-year period without prior approval shall receive one hundred (100) dollars at the end of that one-year period. For purposes of the preceding sentence only, any portion of a day taken as earned leave without prior approval shall be counted as one full day.

Section 5. - The Taking of Earned Time

At the employee's discretion, full or partial days may be taken with prior approval by the supervisor. Such prior approval shall not be necessary in cases of illness or emergency. In determining whether to approve the employee's choice, a supervisor shall consider whether the effect of such leave will result in an undue workload burden on other employees. The supervisor shall not arbitrarily deny the employee's request. Employees shall not be allowed to take more than three (3) weeks of earned leave at any one time, provided, however, that the Executive Director or his/her designee may, in his or her discretion, grant requests for longer periods. Each employee must schedule and take at least fifteen (15) full-time or prorated earned leave time days during a one (1) year period of employment, or the difference between the number of hours scheduled/taken and fifteen (15) will be forfeited.

Section 6. - Borrowing

An employee who has worked at the Agency for less than two (2) years and is forced by accident or illness to be out of work and does not have sufficient earned leave to cover the ten (10) working day wait period for short-term disability, may borrow up to ten (10) days of earned leave against future accumulation. Such borrowed days must be paid back within one year of the time of borrowing. The Agency may request that the employee's illness be documented by a physician's letter.

Section 7. - Cash-in

Upon termination of employment, an employee will be paid for unused earned leave in an amount equivalent to ½ (50%) of the value of the her/his earned leave balance. The maximum earned leave balance to which this cash-in benefit shall apply is two-hundred

eighty hours (i.e., at most, an employee will receive ½ (50%) of 280 hours upon employment termination). Any accrued earned leave over and above two hundred eighty (280) hours at the time of leaving employment shall have no cash-in value.

Other pay in lieu of time off may be taken with the permission of the Executive Director or his/her designee provided the employee has at least twenty (20) days of earned leave remaining after taking that time. Earned leave accruals may be further reduced only in extreme and unusual circumstances and with the permission of the Executive Director or his/her designee.

ARTICLE XV - Holidays

Section 1.

The following holidays are observed by the Agency and are paid holidays for employees:

New Years' Day	Columbus Day
Martin Luther King's Birthday	Veterans' Day
George Washington's Birthday	Thanksgiving Day
Patriots' Day	Christmas Day
Memorial Day	Option of either December 24 or
Independence Day	December 31, at the Agency's discretion
Labor Day	Employee's Birthday

In order to be eligible for holiday pay, an employee must work both the day before and the day after a holiday, provided that the Agency may, in its discretion, excuse an employee from the day before/day after requirement or a part thereof, if such employee has, in the Agency's opinion, a justifiable reason for her/his failure to work.

If a holiday falls on a Saturday, it is observed the preceding Friday; if it falls on Sunday, it is observed the following Monday; provided, however, that in the event that either or both December 24th or December 31st fall on a nonwork day, such as a weekend, the day will not be observed as a holiday, and no alternative time will be taken.

The Veterans' Day holiday may be substituted with the day after Thanksgiving Day, subject to approval by an employee's supervisor.

An employee's birthday will be considered a floating holiday, which may be taken within fourteen (14) days of the date on which it falls.

Section 2.

If a holiday falls on a working day during which an employee is on leave, no charge for leave will be made.

ARTICLE XVI - Part Time Employees

Except as provided elsewhere in this Agreement, part time employees working twenty (20) hours or more per week shall receive all benefits on a pro rata basis.

ARTICLE XVII - Leaves of Absence

Section 1. – Parental Leave

An employee, male or female, is entitled to an absence of up to six (6) months without loss of job for reasons related to child birth or adoption up to one year from child birth or adoption. During the period of such leave, employees who wish to have continued coverage under the Agency's medical or dental programs must pay the full cost of the premium themselves. An employee who is disabled due to maternity shall continue to be covered by the Agency's disability plan and life insurance policy for the length of the disability, provided, however, that such disability does not exceed twelve (12) months or the length of the employee's employment with the Agency, whichever is shorter. At the employee's option, earned leave time, compensatory time or leave without pay, may be used during the period of absence. The period of any unpaid parental leave shall not be included in the accrual of either earned leave time or seniority or any benefit other than those mentioned within this Section.

Section 2. - Bereavement Leave

An employee shall be entitled to leave without any loss of leave or pay for up to five (5) days in the event of the death of a member of the employee's immediate family or other family member who has been living in the employee's household for at least six months. Immediate family members shall be defined as including parents, spouse, children, siblings, mother- and father-in-law, grandparents, grandchildren and domestic partner.

Section 3.- Jury Duty

(a) Leave with pay will be approved for an employee summoned for jury duty, provided the employee endorses the check received for jury duty and turns the check over to the Agency, less any meal or travel allowance. An employee should notify her/his supervisor in writing, when the employee is summoned for jury duty.

(b) Consistent with present legal requirements, after the first three (3) days of jury duty service, an employee shall not receive leave with pay for jury duty for any day for which no jury duty pay is received. In addition, an employee called to jury duty in Middlesex, Suffolk or Northern Norfolk county courts, who completes jury duty prior to the halfway mark of her/his shift, shall report to work immediately after the completion of such jury duty or forfeit leave with pay for that day. An employee called to jury duty at some other court must report to work immediately after jury duty if s/he is dismissed by 10 a.m. or forfeit leave with pay for that day.

Section 4. - Court Attendance

Leave with pay will be granted when an employee is under subpoena or court order for court attendance provided the employee or the employee's relatives do not have a personal interest in the case; the case is not one in which the interests of the employee or her/his representative are adverse to those of the Agency; and the employee notifies his/her supervisor in writing when the employee is summoned for attendance in court under the subpoena or court order.

Section 5. - Military Leave

The Agency and the employees shall abide by the terms of the Uniformed Services and Reemployment Act of 1994 and those rights, privileges and prerogatives attributable to the employee or the Agency under such Act shall be exercisable by the employee, Agency, as applicable. During the period of military leave, the employee will be paid the difference, up to a maximum of 10 days per year, between her/his military pay and her/his regular pay.

Section 6. - Leave Without Pay

An employee who has worked at the Agency for no less than twelve (12) months may request leave without pay for a period of up to six (6) months. If the employee is seeking leave, to attend an accredited educational institution which may include bona-fide education internships, that employee may receive an additional six (6) months, up to a total of twelve (12) months. Such requests shall not be arbitrarily denied by the Executive Director or his/her designee. Any subsequent requests for leave shall be in the discretion of the Executive Director or his/her designee, provided the employee's first request has been granted. During the period of Leave Without Pay, employees who wish to have continued coverage for health and/or dental insurance programs must pay the full cost of the premiums themselves. Employees shall continue to be covered by the Agency's disability and life insurance plans.

Section 7. - Administrative Leave

The Executive Director or his/her designee may excuse employees from work without charge to any other leave for uncontrollable circumstances which prevent an employee from reporting to work or returning home safely (e.g. inclement weather, public transportation strikes, etc.), hazardous or extremely uncomfortable working conditions (e.g. lack of heat, air conditioning, electricity, etc.).

Section 8. - Service Credit Accrual

An individual on paid disability leave or on some other form of leave of absence (other than worker's compensation leave) shall not accrue service credit for any purpose under this Agreement, including, but not limited to, longevity/seniority, performance review or benefit determination. An individual on worker's compensation leave shall accrue longevity/service credit for any purpose under this Agreement only during the first six (6) months of such leave. An employee on disability or workers' compensation leave shall retain employee status for the length of her/his employment with the Agency or one (1) year, whichever is shorter. A leave shall be broken only by a return to employment of at least sixty (60) days.

Section 9. - Family and Medical Leave Act

The Union and the Agency shall abide by the terms of the Family and Medical Leave Act and those rights, privileges and prerogatives attributable to the employee or the Agency/Employer under such Act shall be exercisable by the employee, Agency/Employer, as applicable. The Family and Medical Leave Act shall not diminish any of the rights, privileges and prerogatives attributable to either the employee or the

Agency under the terms of the Agreement, provided, however, Article XXV shall not be applicable to any right, privilege or prerogative granted under the Act.

ARTICLE XVIII - Travel Reimbursement

Employees shall be reimbursed for all work-related travel expenses. Agency contributions to MBTA passes and work-related phone calls shall continue as with the current practice for the duration of this Agreement. Effective February 1, 2008, mileage shall be reimbursed at the rate of forty five (\$.45) cents per mile. Taxis should not be used unless absolutely essential and authorized by the employee's immediate supervisor. Parking tickets are the sole responsibility of the employee. Travel sheets should be submitted no later than thirty (30) days after the close of the month to which they pertain, except that travel sheets for the last month of the fiscal year must be submitted in that month.

ARTICLE XIX - Job Training and Career Development

Section 1.

The Agency recognizes its responsibility to staff development and training as necessary for both the furtherance of Agency goals and the professional growth of its employees. This obligation translates into tangible support of education and training in two areas: ongoing in-service education and relevant outside community opportunities for training and education.

Section 2.

In-Service education shall begin with an initial orientation to the Agency. In addition, ongoing supervision, evaluation and group training in specific areas will be provided.

Section 3.

Opportunities for training outside of the Agency will be made available to staff, generally by posting or circulating notice of such opportunities. Staff members may also learn of some possibilities on their own initiative. The Executive Director or his/her designee, relying on the recommendation of the immediate supervisor involved, is authorized to reimburse employees for fees incurred for this training if authorized prior to participation. If the employee disagrees with the recommendation of her/his supervisor, s/he may appeal in person to the Executive Director or his/her designee.

Section 4.

If budget limitations preclude an employee's participation in a seminar or workshop, the Executive Director or his/her designee, at his/her discretion may allow an employee to attend, at their own expense, such seminars during regular working hours.

Section 5.

The Agency shall provide availability of study materials, necessary social work supervision and, subject to this Section, reimburse the cost of application, license and license renewal fees to eligible bargaining unit employees who obtain social work licensure while employed at the Agency. The Agency shall reimburse eligible employees

for their application fees in connection with their initial application for licensure regardless of whether the individual successfully passes the licensure examination. The Agency may choose to reimburse employees for subsequent applications within Management’s sole discretion.

Type of License	New Candidate Application Fee/License Fee
LICSW	\$142.00/\$68.00
LCSW	\$142.00/\$57.00
LSW	\$142.00/\$45.00
LSWA	\$142.00/\$35.00

The Agency shall provide a one-time bonus of \$250 to eligible bargaining unit employees who obtain social work licensure while employed with the Agency. Eligible employees are defined as regular employees working in positions for which social work licensure is relevant, including Casemanagers, Senior Casemanagers and Protective Services Caseworkers.

The Agency shall not impose licensure requirements on the Casemanager job classification with respect to individuals employed by the Agency as Casemanagers as of January 1, 2005 unless such licensure is required by law or government regulation.

Section 6.

The Agency will offer financial assistance of up to \$1,000.00 for tuition for up to four employees in a fiscal year. In order to be eligible for education assistance, an employee must select a course related to the services provided by the Agency.

Once a course has been selected, the employee shall submit a written request for education assistance. The Agency shall solely determine whether the course qualifies for education assistance. If the course qualifies, the employee becomes eligible for education assistance subject to the terms and conditions set forth below.

If the number of applications for education assistance exceed the cap of \$4,000/yr., then assistance will be granted to eligible employees based on seniority.

If the cap of \$4,000 per fiscal year is reached in the first semester, there will be no available funds for any other semester that occurs in that fiscal year.

Any employee must provide a copy of the paid bill to the Agency.

An employee must earn a grade of B or higher in the course or “pass” the course if a pass/fail grading system is used. Any reimbursement will be made after the employee has submitted a dated grade report.

If at any time within one year from the date of the employee's receipt of any education assistance, the employee leaves the Agency, then the employee promises and agrees to repay to the Agency this education assistance.

As part of the employee's agreement to repay the education assistance under these circumstances, the employee specifically authorizes the Agency to deduct any owed amount and/or this program from any wages, accrued vacation or other compensation owed to the employee at the time of the employee's termination of employment.

ARTICLE XX - Subcontracting

The Agency shall not subcontract bargaining unit work without valid reason. The Union shall be notified as soon as possible but in no case less than sixty (60) days prior to subcontracting and shall be provided an opportunity to discuss the issue with the Executive Director or his/her designee and other relevant supervisory personnel. The Agency shall make every effort to see that subcontracting of services previously performed by employees of Somerville-Cambridge Elder Services, Inc. will include offer of employment to employees displaced by the subcontractor. Any employee offered employment by the subcontractor may choose to refuse the offer and assume layoff status without contest by the Agency and pursuant to layoff provisions of this Agreement.

ARTICLE XXI - Layoff and Seniority

Section 1.

Layoffs shall only be conducted for lack of work or other valid reasons.

Section 2.

Seniority shall be defined as the length of time an employee has worked continuously at the Agency, unless otherwise provided for in this Agreement.

Section 3.

For any layoff, the Union shall be given thirty (30) days notice or notice coextensive with the Agency's knowledge of the requirement for a layoff, whichever is less. The Union and the Agency shall meet within five (5) working days to work out details of the layoffs.

Section 4.

(a) When it becomes necessary to decrease the work force within a specific department, the Agency will reduce said department's staff in accordance with seniority subject to the ability of the retained employee(s) to perform the work with one (1) month of training. In the event that two (2) employees in a given department have equal seniority (same hire date), the least qualified employee shall be laid off first. In the event qualifications do not allow for meaningful distinction between two employees with the same seniority, it would go to the person with the most recent highest overall performance evaluation review.

(b) In the event of a layoff, a Senior Casemanager may displace the least senior Casemanager on the basis of seniority.

Section 5.

An employee who is to be laid off and who applies for, and is qualified for, another position within the Agency shall have preference over any other external or less senior internal applicant for such position.

Section 6.

If, in the course of any restructuring of the Agency, job descriptions and duties are changed, it is incumbent upon the Agency to provide free retraining for up to one (1) month to an employee whose job description has changed, except for unusual circumstances which may require more training time.

Section 7.

A laid off employee shall be on a recall list for the lesser of the length of his seniority or eighteen (18) months. Employees on the recall list shall be notified of all vacancies in the following manner: for the first six (6) months following a layoff, employees will receive all notices of vacancies. After six (6) months they shall be sent, by registered or certified mail, a request that if they still wish to be retained on the recall list, they must notify the Agency in writing within thirty (30) days of the receipt of this notice. This procedure shall be followed for those still on the list for the next six (6) months up to the eighteen (18) month limit. Employees are responsible for making sure that their current, up to date home address, telephone number(s) and other contact information is on file with the Agency, and the Agency satisfies all notice obligations under this Article XXI if it uses contact information on file for particular employees. Employees on the recall list shall be notified of all vacancies, and shall have recall rights, in reverse order of layoff, to the same position, or to a position for which s/he is otherwise qualified, provided, however, that an employee who does not accept an alternative position, which entails a pay cut, shall not prejudice her/his recall rights. A laid-off employee who retains recall rights under this section shall have preference for a position over any applicant, provided that the laid off employee meets the minimum qualifications necessary for the vacancy.

Section 8.

In the event of a recall, a laid-off employee who is still on the recall list shall be given notice of such recall by telegram, registered or certified mail, sent to the address last given the Agency by the employee, with a copy to the Union. Within five (5) working days after the receipt of the Agency's notice, the employee must notify the Agency of her/his intent to return to work and must actually report to work within five (5) working days thereafter. Exceptions will be granted to employees who are out of town at the time of the notice or so incapacitated by illness as not to be able to return within the prescribed time limits. In the event that an employee fails to comply with the above provisions, s/he shall be considered a voluntary quit.

Section 9.

A laid-off employee shall receive any unused earned leave time to which s/he is entitled.

Section 10.

After notice of layoff is received, up to three (3) days off without loss of pay shall be granted each laid off employee for the purpose of seeking other employment.

ARTICLE XXII - Discipline and Discharge

Section 1.

An employee will be discharged or disciplined only for just cause.

Section 2.

Any warning or disciplinary notices over one (1) year old shall not be used against an employee in any disciplinary action. Notwithstanding the above, if issues are raised involving either the existence or adequacy of progressive discipline or notice of policy or practice, then past disciplinary records directly relevant to such issues may be introduced.

ARTICLE XXIII - Other Separations from Employment

Section 1.

Prior to separation or termination of employment, an exit interview with a representative of the Personnel Department shall take place. The purpose of this interview shall be to discuss all personnel issues that are pertinent to termination of employment, (e.g. reasons for leaving, health insurance and 401(k) benefits, or earned leave.)

Section 2.

An employee who resigns from employment with the Agency shall make every attempt to submit her/his resignation in writing thirty (30) days prior to the effective date of resignation, but in any event, no less than two (2) weeks notice shall be given.

Section 3.

An employee may be separated for disability when s/he cannot perform the required duties because of a physical or mental impairment. Action may be initiated by the employee or the Agency, but in all cases such action must be supported by medical evidence. The Agency may require an examination at its expense, which shall be performed by a physician mutually agreeable to the employee and the Agency.

Section 4.

All monies due to a deceased employee shall be paid to her/his estate except for such sums as by law must be paid to a surviving spouse or her/his estate.

ARTICLE XXIV - Grievance and Arbitration

Section 1.

A grievance shall be defined as any violation, inequitable application arising from a deviation of Agency policy or past practice, or claimed violation with the provisions of any portion of this Agreement or with any policy that has been incorporated into this Agreement, with the exception of Article XVIII, Section 9.

Section 2. - Grievance Procedure

Step 1: Within fourteen (14) calendar days after the employee becomes aware of the incident giving rise to any grievance, the grievance must be presented to the employee's immediate supervisor. The grievance shall be presented in writing and/or in a meeting at the employee's request, within two (2) working days from the request. Within three (3) working days after presentation of said grievance, the supervisor shall present her/his written reply, with a copy to both the grievant and the steward. If no written response is provided within three working days, an appeal to step 2 may be taken immediately.

Step 2: If no satisfactory adjustment is reached at Step 1, the grievant may appeal to the Executive Director or his/her designee in writing. This appeal must be filed within seven (7) calendar days after the reply in Step 1. The Executive Director or his/her designee shall meet with the grievant and the union steward within three (3) working days after the receipt of the appeal and shall issue her/his reply within three (3) working days thereafter. Step 2 will be the final step for all grievances involving discharge and suspension.

Section 3.

If the Union is dissatisfied by the decision rendered at Step 2, or in the case of a grievance involving a discharge or suspension, it may invoke arbitration by submitting a written request thereof to the Agency within twenty (20) working days after the written reply from Step 2.

Section 4.

Grievances to be arbitrated under this Agreement shall be submitted to the American Arbitration Association ("AAA"). The AAA shall have no authority to amend or modify this Agreement, and its decision shall be final and binding. If the parties choose to mediate a grievance, the parties could use a mediator provided by the State Board of Conciliation and Arbitration. The non-prevailing party shall pay for the costs of the Arbitration except that each party shall pay its own attorney's fees.

Section 5.

The time limits contained in this Article shall not be deemed waived except by mutual written agreement of the Agency and the Union.

Section 6.

An employee may have union representation throughout the grievance procedure, including both the steward and the Union Representative, if the grievant and the Union so choose.

Section 7.

No involved employee shall lose any pay for time spent in the processing of grievances including arbitration, provided, however, that the time spent in the processing of grievances on Agency time shall be scheduled with notice to the employee's supervisor and shall not interfere with any work related activity of the Agency.

ARTICLE XXV - No Strike/No Lockout

There shall be no strikes or sympathy strikes by the Union or the employees and no lockouts by the Agency during the life of this Agreement.

ARTICLE XXVI - Personnel Files

An employee shall have the right to review any personnel file kept on her/him and shall be advised of the location of any such files. Upon request, the Agency shall provide an employee with copies of materials in the employee's personnel file and the employee shall have the right to question, object to and/or add a statement on the accurateness or appropriateness of any material in her/his file. Upon the request of the employee, the Steward and/or Union Representative shall have the right to examine and copy an employee's personnel file if that employee so requests. No records of oral or written discipline may be placed in an employee's personnel file without the employee first being informed of such. When a complaint is brought against any employee by any other party, the Agency shall, in a timely manner, notify the employee who may request a meeting with the Agency, with the Union Steward and/or Representative present at the employee's choice. The Agency shall comply with Massachusetts General Laws, Chapter 149, Section 52C (as amended).

ARTICLE XXVII - Managerial Rights

Except as otherwise limited by an express provision of the Agreement, the Agency shall have the right to exercise complete control and discretion over its organization and technology including but not limited to the determination of the standards of services to be provided and standards of productivity and performance of its employees; the right to establish and/or revise personnel evaluation programs; the determination of the methods, means and personnel by which its operations are to be conducted, the determination, assignment, direction and transfer of personnel; the relief from duty of its employees because of lack of work or other legitimate reasons; the establishment of reasonable work rules; and the taking of all necessary actions to carry out its mission in emergencies.

ARTICLE XXVIII - Health and Safety

Any employee who has a specific health and safety concern should inform her/his union steward. The Agency will then meet with the steward and the affected employee to discuss the employee's concern.

ARTICLE XXIX - Technological Changes

Section 1.

The Union and Agency have entered into this Article with the intent of continuing to promote the health and safety of employees working at the Agency's facilities.

Section 2.

Any unit employee, who is assigned to work at a video display terminal (VDT) for more than two (2) continuous hours, shall be entitled to reassignment after such two (2) hour period or any subsequent two (2) hour period during which he or she is assigned to the

VDT. Such reassignment shall be for fifteen (15) minutes and the nature of such assignment shall be in the discretion of the Employer.

Section 3.

A. An employee working with a VDT for 20 or more hours per week may elect to get an eye exam by a licensed eye care provider on an annual basis, with the Agency providing up to one hour work release time and covering the cost of the lesser of the insurance copayment or \$15.

B. If an employee who is regularly assigned to work with a VDT, claims that his or her eyes have been negatively affected by such assignment, such employee shall file a workers' compensation claim. The Agency agrees to cooperate in the processing of such claim and to instruct its insurer to expeditiously evaluate such claim.

Section 4.

The Employer shall, as needed, test the VDT for brightness, flicker, clarity of image, contrast and adjustability. The Union shall be sent a copy of a written report of such test, if one is provided to the Employer. The Employer shall also provide the Union with a copy of any VDT maintenance agreement it might enter into.

Section 5.

The Agency shall continue its efforts to provide employees assigned to a VDT with an acceptable work environment. To that end, the Agency shall provide such employees with chairs that are adjustable for height, back and tension. Terminals shall be fitted with non-glare screen cover, hood, and brightness and contrast controls. The Agency shall inform employees that glare should be kept to a minimum and, if a VDT is placed in a room with windows, shall supply blinds and/or drapes if such are necessitated by glare. The Employer shall also provide adjustable lighting for those employees regularly assigned to VDT use.

Section 6.

Any VDT operator, who becomes pregnant, will upon notice to the Employer, have the immediate right to transfer under the guidelines of Article IX, Section 5, to any position which is vacant and for which the employee is immediately qualified to perform the related assignment. If any employee is so transferred, he or she shall receive the salary rate associated with the job into which he or she transfers. In the event that only a part-time position is available, fringe benefits and salary shall be pro-rated.

If another position for which the employee is qualified is not available, the employee shall be granted whatever rights are available under the Agreement.

Section 7.

Any employee whose job description will materially change as a result of the introduction of a VDT, shall be granted those rights outlined in Article V, Job Descriptions, of the Agreement.

Section 8.

Nothing in this Article shall be construed or interpreted as a limitation on the Agency's right to introduce new technology, new equipment or new procedures of any kind.

ARTICLE XXX - Case Manager Meetings

Case managers may continue to hold a one hour meeting every two weeks; however, no Union activity or discussion of Union matters will occur during case manager meetings.

ARTICLE XXXI - Flexible Spending Accounts

The Agency will create and administer a flexible spending account program for all employees who wish to use a flexible spending account to make pre-tax medical payments.

ARTICLE- XXXII - Separability and Conflict

Section 1.

If any provision of this Agreement shall be held invalid by law, the remainder of this Agreement shall not be affected thereby. In such event, at the request of either party, the parties shall meet to negotiate any new provisions in substitution for the invalid provision. No new provision shall be added except by mutual agreement of the parties.

Section 2.

In any and all cases of conflict between this Agreement and Agency policies or procedures, this Agreement shall control.

ARTICLE XXXIII – Neutrality

The Union may request recognition as exclusive bargaining representative for any appropriate unit (or combination of units), including residual groups of employees at the Agency's present or future facilities in which the Union claims majority status. The Agency may avail itself of the rights provided under the National Labor Relations Act and request a Board election with certified results. Neither party shall unreasonably burden, delay or refuse to cooperate with the Board election process. Both parties will recognize the desired goal to arrive at a consent agreement prior to an election.

ARTICLE XXXIV- Duration

Section 1.

This Agreement shall be in full force and effect from January 1, 2008 until midnight, September 30, 2010.

Section 2.

The Agency and the Union agree to jointly enter into discussions relative to a renewal of this Agreement no later than the ninetieth (90th) day preceding the termination of this Agreement.

ARTICLE XXXV-Labor/Management Committee

Section 1.

The parties will establish a Labor/Management Committee of up to three (3) management team members and up to six (6) Union members to address, but not be limited to, employee turnover, conflict issues and other areas not subject to confidentiality.
